The Asgardians: The Hofund's Hunt

20 0 2

Chapter 1 by Victoria Wilson

Running. It's all I've been doing since I found out the truth. I am an Asgardian. You know the myths about the Viking gods like Thor, Loki, etc. yeah well turns out I'm a demigod, a child of Loki God of mischief.

I used to live a normal life. I was the most popular kid in school. I was the star basketball player. I had a full ride to my dream university. I had goals. I had dreams. And now I'm running for my life because I have a father who happens to have pissed everyone off and they are taking their revenge out on me.

Because of my recent found family discovery, I have had to do a few things that sadly got my name very known to all the other Gods. I kind of stole something that's very valuable because Loki said it would help him. But later did I find out the reason he needs this weapon is for a very bad reason and I cannot let him have this weapon. So I run. And run. And run.
